Adoptee Round Table is a 6-week discussion group that is private and confidential. We will be exploring many topics, including, but not limited to the following: Searching for Family, Reunion & Relationships, Loyalty & Adoptive Family, Intimate Relationships, Racial Identity in the U.S., Relationship to Birth Culture and much more depending on the interests of our group! Facilitators will be Lisa Marie Rollins, Holly Bachman, and Amie Kim. We want to create a close-knit group of adoptees, so we need consistency in attendance. Therefore, we strongly encourage participants to commit to the full 6 week program.
