

Are you someone who was born and adopted in the UK, and then moved to Australia with your adoptive family?

Post Adoption Support Services (PASS) is holding an evening get together for UK adoptees to discuss the complexities of searching, and to gain information and support from each other.

Searching in the UK can be confusing and time consuming, and one of the best ways to gain some understanding and guidance with this is to chat with others who are going through, or have gone through, the same journey.

Topics covered include:

- How do you search for birth and adoption records in the UK?
- How do you search for birth family relatives?
- What information can you pass on if you have been/are on the searching journey?
- Where do you start?
- How about support?
- Navigating the UK systems/reliable UK agencies
